**Adrian Plass, Jeff Lucas : Seriously Funny 2** before purchasing it in order to gage whether or not it would be worth my time, and all praised Seriously Funny 2:

0 of 0 people found the following review helpful. Less forthright than Seriously FunnyBy B. RossThe first book was truly a gem. The honesty was forthright and refreshing. This book is a bit forced, and seems like the wordsmithing and concocting new ways to label things gets in the way of the kind of honesty that was so great in the first book. That said, this is still good writing, and still an honest look that makes Christians squirm a little bit at some of their own

quirky behavior. Well worth the read. 0 of 0 people found the following review helpful. A refreshing and honest look at Christianity By Andrew Lobb See the title. And a good laugh at times as well. The book is of the type where you find yourself laughing while some form of serious truth sneaks up behind you and mugs you. Well played Mr Plass and Mr Lucas, well played... :) 0 of 0 people found the following review helpful. Humorous Stories By Irene's Book Reviews The book is a series of letters between the two authors. Each chapter is written by one of them and they respond to what the other has written in the previous chapter. I gave this book 4/5 stars. I enjoyed some of the humorous stories and liked how they inserted some basic Christian principles. I did, however get a bit bored with it all. I would recommend this book to anyone looking for a book that has funny stories in it. I gave it a lower rating because I just did not enjoy all of it and felt it could have been edited down better. I would like to thank the publisher for the copy of this book I enjoyed reading. I gave an honest review based on my opinion of what I read.

The long-awaited sequel to *Seriously Funny* lets us in on further correspondence between these two popular authors.

About the Author Adrian Plass is one of today's most successful Christian authors. He has written more than twenty books in the last eighteen years, including *Bacon Sandwiches* and *Salvation and War of the Worlds*. Jeff Lucas is a Bible teacher, speaker and author with an international teaching ministry
