By CustomerSent this to a friend that loves "gross" jokes and I thought this was in that vein. However there some Christ jokes and little kid jokes that were crossing the line I guess. I didn't read it myself.

By Hardliner BulletThe cover says exactly what it contains. Be prepared to read hilarious jokes that you'll be wary to retell.

ABSOLUTELY TWISTEDSERIOUSLY DISTURBINGDOWNRIGHT WRONG?What's the difference between a drug dealer and a hooker? A hooker can wash her crack and sell it again.?What's green and yellow and eats nuts? Gonorrhea.?What's pink, black and has 17 nipples? The trash can behind the cancer ward.?What do Jersey girls use as protection during sex? Bus shelters.?Did you hear that McDonald's is coming out with a McJackson burger? It's a 50-year-old piece of meat in a 12-year-old bun.

"b3ta.com, an online community known for bad taste jokes, is a puerile digital arts community." ? The Guardian (London)
