Mr. Howard Elgison : Serve and Folly: Tennis is a funny game before purchasing it in order to gage whether or not it would be worth my time, and all praised Serve and Folly: Tennis is a funny game:

A humorous, illustrated romp though the game of tennis

About the Author Howard Elgison is the author of one book, "The Unholy City," three stage plays, numerous magazine articles and a plethora of text messages. Jim Brown's artwork has appeared in books, magazines and highway overpasses.
