Julie Haas Brophy : Sh*t My Kids Ruined: An A-Z Celebration of Kid-Destruction before purchasing it in order to gage whether or not it would be worth my time, and all praised Sh*t My Kids Ruined: An A-Z Celebration of Kid-Destruction:

1 of 1 people found the following review helpful. So funny!By njbruhnThis book is hilarious. I got it for my husband for Father's Day and we have both laughed about the things other people's kids have done, and been pretty thankful that so far none of these have happened to us. This is a great gift for a parent or soon to be parent and makes for

interesting conversations as a coffee table book!1 of 1 people found the following review helpful. my kids laugh their butts off at itBy Alyssa Larsonand they're in it. twice. they're pretty proud of all the other stuff in the book that they DIDN'T do :-) i'm writing this review as i come back to pick up three more copies as keepsakes for them, and a copy for a couple of friends who are expecting. this book and website reminded us that we weren't alone as we attempted to survive the crunchy-carpeted toddler years!0 of 0 people found the following review helpful. Funny bookBy Busy MamaThis book always cheers me up after I think my kids ruined something. The fact that these parents had the ability to take a photo and add a funny caption after the fact is a testament to their patience.

Quite possibly the best birth control on the market, Sh*t My Kids Ruined is a pictorial tribute to the filthy, distasteful, gross, and painful moments of parenthood, and the children who make it all possible. Kids: they are the light of your life—and the enemy of all things fragile, intact, and clean. But why cry over spilt milk . . . or paint . . . or the entire contents of a full-size swimming pool? A testament to the messiness of childhood (and parenting), and a memorial to the household items that perished along the way, here are never-before-seen photos and outrageous stories of VCRs jammed with toys, toilets clogged with clothes, and furniture accented with permanent marker. Torn-up computer keyboards and torn-out hair, botched family photos and mustard-covered treadmills—nothing is off limits to your darling, destructive offspring. So raise a broken glass and embrace the madness, because laughter is the only surefire way to keep your sh*t together.

About the AuthorJulie Haas Brophy is the mother of two boys, whose home wreckage inspired Sh*t My Kids Ruined: An A-Z Celebration of Kid-Destruction. She and her husband cope from Irvington, New York, where she is the cofounder of Sibling Thrive! Media.
