4 of 4 people found the following review helpful. DisappointmentBy Momof4So disappointing! I LOVED the first edition! It was clever, right on, and had me laughing aloud. Unfortunately, the second book is snarky, mean-spirited,

and unrelatable. It reads as if it were written by women who never actually raised children and despise the idea of it. Sh\*tty Mom for no season would be a more appropriate title. 1 of 1 people found the following review helpful. Five Stars By Pat Rheinlight reading 0 of 0 people found the following review helpful. So funny! By Stacy Perfect for moms. I could relate to so many of the chapters. I've actually purchased multiply copies to give out to friends and family members.

The authors of the New York Times–bestselling Sh\*tty Mom are back with a hilarious guide presenting common parenting scenarios with advice for getting through the year the sh\*tty mom way. Told in the same tongue-in-cheek voice as the original, this sequel is full of funny parenting tips and relatable stories for contemporary moms. Sh\*tty Mom for All Seasons explores the occasions throughout the year that test every mother's patience and inspire self-deprecating humor and that second glass of wine. With chapters organized by season, the book will teach you how to navigate the bumpy roads of motherhood, learn to laugh at the occasional parenting fail, and maybe even appreciate your own mother. Or not. Sample chapters for the sh\*tty mom year include: Fall: "Yes, We All Have to Be Here: The Annual PTO Fundraiser" Winter: "Mom's Real New Year's Resolutions" Spring: "I'm Running Off with the Gardner: April Fools!" Summer: "Summer Reading Lists Other Great Reasons Why You Don't Home School" The Emmy Award–winning TODAY show producers and self-proclaimed sh\*tty moms, Alicia Ybarbo and Mary Ann Zoellner, together with humorist Erin Clune, bring you the perfect book for mothers who don't take themselves too seriously.

"Shitty Moms provides just what we all need at the end of our parenting days: a shot of irreverence with a belly laugh chaser. With Shitty Moms 2, we get to make it a double."
