By Mom Almighty My 2 nieces, ages 11 and 13, grabbed this book from the gift wrap and spent the whole afternoon insulting each other while learning Shakespeare's barbs at the same time. It was a gift for them after they'd starred in a youth Shakespeare play. This was their favorite gift of the pile! 0 of 0 people found the following review helpful. "America, it's time to take our unfriendly discourse to the next level. No more cliché F-bombs or redundant reality-show retorts...The 162 vocabulary flashcards featured in the spiral-bound Shakespeare Insult Generator by Barry Kraft will help you create more than 150,000 staggeringly specific insults. Tell those sneaping rug-headed pig-nuts exactly what you think of them, especially when they act like pestiferous mushrumps. They'll be so confused or amused that your conflict will disappear. Peace through literature, you white-livered scuts!" - Sacramento News "Let's face it. If you spend enough time on the Internet, someone's going to purposely insult you, probably in boring old four-letter fashion. If you're a big enough person, you can close the browser, chat, or email window and turn the other cheek. Or you can break out the spiral bound Shakespeare Insult Generator and mix and match the bard's words to your nefarious purposes. Each page is broken into three flippable cards for over 150,000 combinations of high-brow contempt. On the back of each card is a translation, so you can know exactly what taunt you've tossed. What are you waiting for, you beslubbering, leptus-leering costermonger?" - Geek DadAbout the AuthorBarry Kraft is a professional actor who has specialized in Shakespearean roles for over 50 years.
