Elizabeth O'Mahoney, Katherine O'Mahoney : Shakespeare on Doctors Lawyers before purchasing it in order to gage whether or not it would be worth my time, and all praised Shakespeare on Doctors Lawyers:

"The first thing we do / Let's kill all lawyers." —Henry VI. With the Skakespeare On series, find out what Shakespeare had to say about Johnny Foreigner, the opposite of sex, or the dreaded professional classes. Thumb through these pocket-sized books and smile at the disdainful words of the playwright as he eloquently sums up the thoughts and attitudes of Everyman—as true now as they were in the 16th century. This series of miniature gift books provides amusing Shakespearian quotations on different, themed subjects. Each book also includes Shakespearian fact boxes and a general introduction that provides insight into the world of Shakespeare.
