**From Ebury Press : Shakespeare's Insults for Lawyers** before purchasing it in order to gauge whether or not it would be worth my time, and all praised Shakespeare's Insults for Lawyers:

Fed up with legal nonsense and red tape? This book provides a way to get back at lawyers by reeling off some rude

one-liners, all taken from Shakespeare's works. The first section provides insults for particular occasions while the second addresses the particular flaws of all lawyers.

From the Inside Flap "The first thing we do, let's kill all the lawyers" (King Henry VI, Pt. II). More than enough insults for a week in the courtroom or a dark night of the legal soul, this collection of caustic diatribes about lawyers features the best from the poisoned pen of the most vituperative wit of all time. 20 line illustrations. National pulbicity.
