as a high school teacher I can relate to her actions and reactions in the classroom. I loved her stories about living and growing up in the South. Lee St. John has had a very full life. Reading her books is like sitting on the front porch sharing fun stories with a dear friend. I am looking forward to her next book. I highly recommend She's a Keeper- Anecdotes from a Southern Girl's Attic. It is a very quick book full of lively stories and lots of laughs. 0 of 0 people found the following review helpful. Uh-Oh! Geriatrics???By CustomerI think my favorite story in Anecdotes by Lee St. John was "GERIATRIC RUN". She visited a nursing home and was surprised by the actions of a few "geriatrics". Well, she shouldn't have been surprised as we all know things can happen in that environment! Lots of great stories in this one! 0 of 0 people found the following review helpful. Sassy and Southern!!By LaineyLee St. John is taking her place among my favorite southern writers....keep these great stories coming, Lee! I cannot wait for the next collection.

Lee St. is a rogue Southern Belle, a high-jinx expert, and mayhem confessor. You'll see. Twisted, uproarious, revealing, delicious, quirky, surprising, warm, humorous, heartfelt, or scandalous. Take your pick. You'll find them all in these true stories about family, friends, co-workers, and others whose names she cloaks when telling her tales. Well, she had to. There's the story about being kissed by a President of the United States. And what about that Master's Golf Tournament winner she chastised in front of his entourage? And who feeds their toddler in the tub instead of the high chair just to keep from cleaning up after baby spills? What about the time she was on national television at the **WORLD'S LARGEST OUTDOOR COCKTAIL PARTY** and praying her principal didn't see her because as a teacher she had **SKIPPED SCHOOL**? Gotta hand it to her, though, at least she's authentic while she divulges this confidential information. Buckle up and get ready to be amused.
