humor by women. It's surprising how bawdy and occasionally even misogynistic the jokes and stories are. I'd like to see an updated volume appear sometime. 0 of 0 people found the following review helpful. A great pick-me-up

Very funny.

No one is more qualified to collect hilarious material from women comedians than funny lady Judy Brown, the author behind the top-selling comedy collections *Joke Soup*, *Joke Stew*, *The Funny Pages*, and *Jokes to Go*. Brown's latest humor book, *She's Always Funny*, offers the best, biting laughs from both the funniest females performing today and classic women comedians. This comprehensive roundup of hilarious observations and classic bits from women stand-ups is the first of its kind and is alphabetized by subject, from *Adoption* to *Younger Men*, so you'll have no trouble finding the perfect funny quip from a woman's perspective on hundreds of topics.
Don't cook. Don't clean. No man will ever make love to a woman because she waxed the linoleum. "My God, the floor's immaculate. Lie down, you hot bitch."
-Joan Rivers
I don't need a baby growing inside me for nine months. For one thing, there's morning sickness. If I'm going to feel nauseous and achy when I wake up, I want to achieve that state the old-fashioned way: getting good and drunk the night before.
-Ellen DeGeneres
In my day there was no pill; it was trick or treat. I had far too many kids. At one time in our playpen it was standing room only. It looked like a bus stop for midgets. It used to be so damp in there we had a rainbow above it.
-Phyllis Diller
Going out with a jerky guy is kind of like having a piece of food caught in your teeth. All your friends notice it before you do.
-Livia Squires
I go running when I have to. When the ice cream truck is doing 60.
-Wendy Liebman
From With lines from Phyllis Diller, Roseanne, Rosie O'Donnell, Caroline Rhea, Rita Rudner, Janeane Garofalo, Margaret Cho, Whoopi Goldberg, Wanda Sykes, Elayne Boosler, Aisha Tyler, and more, *She's Always Funny* delivers the goods from the top women comedians of the last 50 years and offers countless hours of laughter.
