In this episode, which lasts about a year, the youngest Patterson turns 13 and her parents have their hands full with a new teenager. Her sister, Elizabeth begins to grow away from the family. Mike and Deanna expect their second child. Elly and John begin to adjust to middle age. Grandpa and Iris are managing well at this point. If you love For Better or For Worse and have missed this issue, you will certainly enjoy it. 0 of 0 people found the following review helpful. In 1991, I wanted another baby," writes creator Lynn Johnston. "Since it wasn't possible to do in reality, I made one

up! Baby April appeared April 1st of that year and has added a great deal of creative fun to the strip. . . . "The Pattersons have never exactly been all "sweetness and light." As any For Better or For Worse fan can attest, this entertaining family endures just as many of life's downs as ups, but they always seem to keep moving forward. Now, however, parents Elly and John experience life in all directions as their youngest daughter, April, becomes a teenager! In true For Better or For Worse style, the best-selling strip examines all the good and bad of "teenagedom," while keeping it in context of the rest of the family's other joys and challenges. Readers will smile knowingly as John and Elly try to decipher teen-speak, deal with their own protective parental tendencies, and struggle to give their maturing daughter the independence she wants and needs. Then just when the wide, wide world of 13-year-olds is at its most intense, everything from fired coworkers to another new grandbaby vie for everyone's attention. This collection of daily and Sunday strips demonstrates once again that Johnston's ability to intertwine the lives of all her characters with the reader's own is remarkable. She's Turning into One of Them! will have them laughing, crying, and shaking their heads in the best For Better or For Worse fashion. Life? Bring it on!
