Stephen Francis, Rico Rico : Shed Happens (MADAM AND EVE) before purchasing it in order to gage whether or not it would be worth my time, and all praised Shed Happens (MADAM AND EVE):

Twenty-three issues later and still fresh as ever! Shed Happens is filled with gags and outrageous punchlines that will have you chuckling way, way after you've put this book down. Madam, Eve, Thandi and Mother Anderson, with some of their assorted relatives and friends, take us into the rabbit hole of domestic and political life in South Africa.

About the AuthorStephen Francis is the writing half of the Madam Eve team. Born in the United States in 1949, Stephen moved to South Africa in 1988. In 1992, witnessing the interesting and often funny dynamic between his South African mother-in-law and her domestic housekeeper, he conceptualized the Madam Eve strip. Rico forms the other half of the creative team – as illustrator. Besides his work on Madam Eve, Rico also produces illustrations for a wide range of other publications.
