Sir Arthur Conan Doyle : Sherlock Holmes: The Complete Illustrated Novels before purchasing it in order to gage whether or not it would be worth my time, and all praised Sherlock Holmes: The Complete Illustrated Novels:

0 of 0 people found the following review helpful. Something differentBy CarmenIt's the first time that I've read a book of Sherlock Holmes; and I found it quite entertaining. It was nice getting to know Sherlock Holmes as he was originally written by Sir Arthur Conan Doyle. This was quite a book to get through, though I still enjoyed this leisurely read.

Match wits with the razor-sharp mind and keenly honed instincts of literature's most famous detective. Every one of the immortal Sherlock Holmes novels appears in this single volume, unabridged, embellished with the beautiful original illustrations, and reasonably priced. The classic works include: *A Study in Scarlet*: the very first Holmes adventure--and the start of a beautiful friendship between the detective and Dr. Watson. *The Sign of Four*: Holmes is called upon to solve the case of a missing treasure in India. *The Hound of the Baskervilles*: Holmes and Watson find themselves involved in an age-old curse. *The Valley of Fear*: A cipher message. A grisly murder. A dark and powerful tale. with a battle between Holmes and his infamous nemesis, Professor Moriarty.
