this book from beginning to end and back again. Everyone can relate to this book because we all have the same bodily functions. Sh\*\*\*y Limericks is clever and will make you laugh. It is good medicine for the start of everyday!0 of 0 people found the following review helpful. Hilarious!!By Steph86This book, "S\*\*\*y Limericks", is a clever and hysterical book of limericks!! I was laughing out loud while reading this book! I would highly recommend this to everyone that has a great sense of humor! It is also great as a stocking stuffer which keeps the fun going!! I have re-read this entire book, front to back, many times! They never get old!0 of 0 people found the following review helpful. A Humorous Bathroom ReadBy FnBJ785S\*\*\*ty Limericks is a great book to use as bathroom reading. When creating your basket of bathroom books and magazines, definitely add this one to the collection! It's creative and witty. Definitely makes the art of using the bathroom more enjoyable! A recommended read for anyone with a good sense of humor!

There comes a point in the day for everyone where they just need to sit and let it all out. This book is the perfect accompaniment to those times. I took the time-honored concept of the limerick and put together a collection all revolving around the stuff that revolves around the inside of your toilet. Take little look and have a good laugh, because laughter is the best medicine...even for constipation!

About the AuthorEveryone has heard the same old "There once was a man from Nantucket" limericks. Some are funny, others are not. I took that concept and ran with it about a topic that every single person on Earth is familiar with: Poop. I excelled at creative writing in high school and college and I like to make people laugh...it seemed like the perfect combination for this. I used to tell my wife about the limericks I came up with, and she told me that I should put them to paper and try to make something of them, so here they are. When I'm not writing, I enjoy martial arts, video games, cooking, and spending time with my wife at our home in NJ.
