Offshoot : Shocked!: When office doesn't rock! (Check-in Check-out) before purchasing it in order to gauge whether or not it would be worth my time, and all praised Shocked!: When office doesn't rock! (Check-in Check-out):

Pressure, deadlines, workload and race against time. Banging heads and lost in files, oh my god, I have lost all smiles? an alarming microscope of the oddities of life in the workplace fishbowl, the book works as a buffer for your daily rants and curses. Caustically funny illustrations make it the book your boss would never want you to lay your hands on. So, here is the chance to cope with office drama and fine tune your worries and frustrations with this awesome book of activities.
