**David D. Scott : Shooting From The Rough: A Not So Serious Look At Golf** before purchasing it in order to gage whether or not it would be worth my time, and all praised Shooting From The Rough: A Not So Serious Look At Golf:

0 of 0 people found the following review helpful. A book of humor and whimsy!By skThis is a fun book about golf! A great stocking stuffer, fathers day, birthday, easter basket, whatever reason you have to buy a fun item for a golfer! I

don't even play golf, but enjoyed reading this book at a friend's. This would also be a great gift for a golf teacher or someone just learning how to play.... an easy and light hearted read!0 of 0 people found the following review helpful. pretty cleverBy Fred McAllisterI like the way it is arranged by topics. If you weren't really jiving with one, you can flip ahead to the next one. I was surprised by how many I did find clever or outright funny. This would be a great idea when you can't figure out to buy on Father's Day.0 of 0 people found the following review helpful. Shooting from the RoughBy Fiona ScottI enjoyed the variety of topics,many of which you might not associate with golf or sports.The book was a departure from other books on the game.I have purchased several copies as gifts for friends.Jean Stoddart

This book is designed to take a humorous look at a serious pastime for many. You will find a wide range of topics, such as golfers' versions of hell, songs inspired by golf, golden rules, excuses, obituaries and dozens more. Shooting from the Rough is intended to stimulate the golfer's mind, but more importantly remind us it's a game and should be fun. We hope that after reading this material golfers will have a new excitement, appreciation and increased enjoyment of this terrific sport.

About the AuthorDavid Scott has grown up playing golf and has a deep love for the game. He has been in the business world for over 20 years, but on the flip side he has a background writing scripts, sketches and comedic dialogue.
