First of all, I LOVE my Kindle! I have over 100 books on it and carry it everywhere I go in case I have a spare minute to read. I love the book, Short Tails and Treats from Three Dog Bakery. I loved their first book, Amazing Gracie, which is the reason I bought this one. The book, Amazing Gracie, was easy to read from start to finish without any typographical errors in the Kindle edition. I wish I could say the same for the book, Short Tails. It is riddled with typographical errors, which really bug the "proofreader" in me. Exactly how are books transposed from hard copy to Kindle? Who is responsible for this? Do they have grammar- and spell-check? This is just the second book that has been hard to read in the Kindle format. I am still reading it, and loving it, but it would be more enjoyable if it were typo-free. I give the book five stars, but give the translation to Kindle only 4. I am thinking of getting the book in hard copy just so I can really enjoy it.

This book was a fantastic read. I suggest reading Amazing Gracie first!!! The book was very informative and the recipes were extremely easy to follow and from the response my dogs gave me I'm guessing they were delicious!!! I was so obsessed with the book that I traveled 6 hours to find a three dog bakery to ahve a doggie experience!!! We had a blast...mostly me but the dogs seemed to love it also (only kidden) Well do read this book it's so very much worth it!!!!!!!0 of 0

I can't help it, it's the English major in me. And while this book is entertaining and has a few decent recipes, the poor formatting and rampant typos make it difficult for me to get past a page without wincing. Aside from this, the book is recommended for anyone looking to break into the business world doing something they love.

This is the story of two guys (and three dogs) who teamed up to create the world's best dog biscuit. In the process, they created a howling national success story! The bakers have developed such creations as Pupcakes, Scottie Biscotti, Snicker Poodles, Great Danish, and Collie Flowers in the world's first bona fide (or bone-ified) dog bakery. Three Dog Bakery, located in Kansas City, Missouri, has been featured on the Today Show, the Oprah Winfrey Show and on CNN.
