Daniel Boondoggle : Shortcut to Nowhere: And more than 100 other poems before purchasing it in order to gage whether or not it would be worth my time, and all praised Shortcut to Nowhere: And more than 100 other poems:

0 of 0 people found the following review helpful. Fun for children and adults alikeBy IammeI bought this book with fond memories of Shel Silverstein poems in mind, and it thoroughly entertained me. The poems are fun and cover a variety of subjects, and the accompanying drawings add just the right amount of detail. I hope for more in the future!0 of 1 people found the following review helpful. Read aloud for smiles and laughter!By Dianne CarrThis is a very

playful book of rhymes and nonsense. Children love to be read to aloud from this type of book. I recommend it. The illustrations also contribute to the humor and fun. Adults can find enjoyment as well as they recollect on experiences from their own childhood. 0 of 0 people found the following review helpful. Great read for the whole family By Mrs. NathanClever and humorous - fun poetry for all ages. If you enjoy Shel Silverstein, you will definitely enjoy Boondoggle's collection.

This delightful collection of over 100 poems from Daniel Boondoggle, enhanced with whimsical pen and ink drawings appearing on almost every page, is sure to please kids from 3 to 103. In the tradition of Silverstein and Prelutsky, you'll soon find Boondoggle among your well-worn favorites. Along the way, you'll meet the tigorilla, the hungry skeleton, the marvelous mechanical rhymmer, and many more zany characters and contraptions.

About the Author Daniel was born in San Francisco and raised in Utah. He and his brother--bestselling author Michael Wallace--spent endless hours hiking, fishing, biking, and collecting snakes and lizards across the Wasatch Mountains and Colorado Plateau. Now more or less grown up, Daniel is the father of six children and lives with his wife, Wendy, the illustrator of *Shortcut to Nowhere*, in a happy and noisy house at the base of the Sierra Nevadas.
