2 of 2 people found the following review helpful. Nostalgic TripBy ValDonThis is a nostalgic trip down the highways and byways of the United States. The book is filled with odd and entertaining scenes and signs that still amuse and delight with timeless humor. While the quality of the prints don't do justice to the quality of the photography it is a great book for the quick amusement of family and friends.

A photographic celebration of the puns and peculiarities found on road signs, store signs, and traffic signs presents such familiar sites as truck stops, cemeteries, parks, and parking lots. Original.
