**Garry Trudeau : Signature Wound: Rocking TBI (Doonesbury)** before purchasing it in order to gauge whether or not it would be worth my time, and all praised Signature Wound: Rocking TBI (Doonesbury):

0 of 0 people found the following review helpful. Still Full of Insights By C. Patton Trudeau still has the insights and the punchlines -- I haven't read him much in a couple of decades. He doesn't seem to have gotten in tune with the new geekdom, though and more's the pity. 8 of 9 people found the following review helpful. Trudeau does it again! By Customer Trudeau picks a subject that is NOT funny, only in his hands it is very funny. Traumatic Brain Injury, the bane of the mideast wars, is way too serious a subject to leave to the military to explain and we all need to know about it. Who better to inform us than the man who for 40 years informed us about what is really going on in the US,

Washington, D. C., and the world. 2 of 3 people found the following review helpful. Trudeau does it again By T. Herbert Gary Trudeau shows a very good understanding and insight into the problems modern-day vets face. This book was excellent for shining a little light on the issues with TBI. The other volumes in this series were equally good identifying a few of the issues OIF and OEF vets face on their returns home. What better tribute to our service members?

Signature Wound: Rocking TBI is Pulitzer Prize-winner Garry Trudeau's third collection of Doonesbury comics examining the effects of combat on soldiers in Iraq. Signature Wound: Rocking TBI completes a trilogy of Doonesbury books that examines the impact of combat on American soldiers in Iraq. A twist of fate brings B. D. to the bedside of SFC Leo Deluca (a.k.a. Toggle), a young HUMV driver and headbanger whose love of ear-bleed battle music had sonically distracted him enough to get his vehicle blown up. Missing an eye and suffering from aphasia, Toggle fights to recover from traumatic brain injury (TBI), a journey of recovery that brings out the best in B. D., his former commander. Toggle's tattooed, metalhead mom initially has reservations about his improbable Facebook romance with an MIT tech-head named Alex, but love blooms. As this engaging story unfolds, Toggle finds himself drawn toward a career in the recording industry, undaunted by the limitations of the New Normal that now defines his life. Crafted with the same kind of insight, humor, and respect that prompted the Pentagon and the VA to host signings of the two previous books in the trilogy, Signature Wound is a perceptive and timely look at the contemporary soldier's experience.

About the Author G. B. Trudeau has been drawing his Pulitzer Prize-winning comic strip for more than forty years. In addition to cartooning, Trudeau has worked in theater, film, and television. He also has been a contributing columnist for the New York Times op-ed page and later an essayist for Time magazine. He is a fellow of the American Academy of Arts Sciences. He lives in New York City with his wife, Jane Pauley. They have three grown children.
