By RichFor those who enjoyed "Simon's Cat" both on YouTube and in the first written book, you will love this sequel! Normally, Simon's Cat is a series of disjointed scenes and scenarios that highlight the antics of our feline friends. In this sequel, the author actually presents his comics in a story like fashion. The cat starts out at home but gets frustrated with his loving owner (one of my favorite scenes). He runs away from home and experiences what lies "Beyond the Fence". The way this is presented as a story and not as random feline acts earns the author kudos in my book. It works well and will keep you entertained throughout your reading session. I highly recommend "Beyond the Fence" for all you Simon's Cat fans. I hope the author continues to make these entertaining and heart warming comics! 0 of 0 people found the following review helpful. Great book. The great thing about it is that ... By Irayda Tejada Great book. The great thing about it is that since it doesn't contain words is great for anyone of any age everywhere, you only need to love cats. 0 of 0 people found the following review helpful. I loved it! By waiter boy This is an excellent follow-up to the first Simon's Cat book. As noted by other reviewers, this time the book tells an entire story from start to finish, and it is charming! Afterwards there are bunch of random drawings noted on the cover as 'exclusive cartoons for American fans'. They're cute, and they appear to be outtakes from the story, perhaps? I look forward to the next Simon's Cat book, and more cartoons on You Tube. Definitely recommended! btw, there are lots of fun things to buy on the Simon's Cat web site!

Simon Tofield's animations have taken YouTube by storm. This book based on the popular animated series. SIMON'S CAT depicts and exaggerates the hilarious relationship between a man and his cat. The daily escapades of this adorable pet, which always involve demanding more food, and his exasperated but doting owner come to life through Tofield's charming and hilarious illustrations.

About the Author Simon Tofield is an award-winning animator who lives in London.
