Simon Treadway Gato came to The Red Lion Inn a number of years ago and found the place so entirely to his liking that he never left. Follow Simon the CAT as he takes readers on a tour of the iconic Red Lion Inn, located in Stockbridge, Massachusetts and made famous by Norman Rockwell's Main Street At Christmas painting. Simon found his place as Lobby Ambassador at the famous inn. He greets guests, takes them to their rooms, makes sure they are comfortable, lets visitors pet him under his chin and on his belly and and make a fuss over him. He loves ot pose for pictures too. Simon was adopted from a local no kill shelter and went from cage to castle overnight! Simon brings joy wherever he goes. With a gorgeous photo of Simon and The Red Lion Inn on every page, Jana Laiz and Jayne Church (Simon's adopted Mom translate Simon's story straight from the cat himself. A perfect gift for any cat lover.
