Matt Groening : Simpsons Comics Royale: A Super-Sized Simpson Soiree before purchasing it in order to gage whether or not it would be worth my time, and all praised Simpsons Comics Royale: A Super-Sized Simpson Soiree:

0 of 0 people found the following review helpful. Comic reviewBy SabreCan say really had some ambitious stories with this one and the author commentary in this was good too.6 of 7 people found the following review helpful. Not as Jam-Packed as Simpsons Comics UnchainedBy mwreviewThis book is one of the larger ones--159 pages. Unlike the even bigger book, Unchained,which was over 170 pages of comics and other fun stuff, Royale includes short stories

by Matt Groening. These stories are about his childhood (his first bully, cheap haircuts, etc.) that sheds some light on what influenced his creation of those cool Simpsons characters. While the stories are interesting, I'd prefer more comics, fake advertisements, etc. Groening could put his stories in a separate book for those interested in his life. Comic-wise, the book includes shorts featuring Radioactive Man, Krusty the Clown, Bartman, Sideshow Mel, and Itchy Scratchy. The four full-length comics are as follows: "Wall or Nothing": The first comic is the funniest. In a fight over Springfield's water supply, residents of upper and lower Springfield start a feud that culminates in a giant wall dividing the town. When visiting his father, Milhouse finds himself on the other side of the wall. Can Bart rescue his friend? "The Inquisitory Zone": Lisa is excited about a new "educational" kids' play house at the mall. Bart is excited when he discovers some of the attractions like "Whack the Abandoned Vehicle," "Fun With Saws," and the "Graffiti Area." Wait 'til Lisa finds out whose really behind the Inquisitory Zone. "Krusty's 11": Hoping to try out his serious acting skills, Krusty stars in his first motion picture. The producers, however, only want Krusty to clown around. "Lisa's Adventures in Wordland": A very clever comic that can only be appreciated through detailed exploration. How many comics come with references? 3 of 3 people found the following review helpful. Fabulously funny and satirical stories By Midwest Book Review The latest in the Simpson's family comic book anthologies, Simpsons Comics Royale features the further misadventures of America's favorite animated cartoon family. In addition to the fabulously funny and satirical stories (Walls of Nothing; Double Date; Li'l Goodfellas; The 1001 Costumes of Bartman; Inside Bongo Comics; Krusty's 11; Love Gory; Krusty's Channeling Tips; Planet Of The Strange-O's; and Lisa's Adventures In Wordland), the reader is treated to wonderfully funny and occasionally informative commentaries by Matt Groening. Simpsons Comics Royale is a "must" for the legions of fans following Springfield's favorite family of Homer, Marge, Lisa, Bart, and Maggie Simpson, along with all of their friends, neighbors, and fellow Springfieldians!

Brought out to celebrate the publication of the 50th Simpsons Comic, Simpsons Comics Royale contains the best of the first 49 issues, as well as the entire 50th edition. Contains the entire 50th and the best of the previous 49 issues of the Simpsons comics. There is something here for every Simpsons fan, including Simpson family stories, an Itchy and Scratchy story, a Krusty the clown story, plus many more. The book will also have commentary from Simpsons creator Matt Groening as well as the best comic book covers. With the show now in its tenth year, the popularity of The Simpsons is now stronger than ever, and this book is something every fan will want to own.

About the Author Matt Groening is the creator of The Simpsons
