Bil Keane : Sing Me A Loveaby? before purchasing it in order to gauge whether or not it would be worth my time, and all praised Sing Me A Loveaby?:

"Bil Keane's cartoons are hung regularly on refrigerators throughout America, which he claims is more important to him than having his works hung in the Museum of Modern Art (which they are not)." How many people look at Picasso or Matisse each time they get a glass of milk?" asks Bil. He is proud of the continued popularity of The Family Circus, which appears in 1,500 newspapers. Enjoy the 125 cartoons in this book, or check your neighbor's refrigerator.
