Robert Baedeker, Dan Klein, John Reichmuth, James Reichmuth, Kasper Hauser Comedy Group : SkyMaul 2: Where America Buys His Stuff before purchasing it in order to gage whether or not it would be worth my time, and all praised SkyMaul 2: Where America Buys His Stuff:

I bought the original SkyMaul and figured the Kaspar Hauser guys were doing the old "Sequel Switcheroo" where they phone it in for the second one. But they didn't phone it in. They personally hand delivered it. And they wore white gloves. And it was on a platter - a silver one, possibly platinum or even whatever metal the second Terminator guy was made of. What I'm saying is they did a good job delivering the product. I would give this book to anyone I liked if I wanted to make them laugh. If there was someone I liked who I wanted to be sad, I wouldn't give it to that person. Seriously, though. This is hilarious. 3 of 3 people found the following review helpful. Be careful reading in public. By Jim Rennie You will laugh that kind of laugh where you feel embarrassed if anyone saw you laugh like that. Ugly, undulating, contorted slobber-laughing. The last half isn't quite as strong as the first, but maybe it is?

Maybe the second half is actually SUPER FUNNY but the first half is just like SO SUPERCHARGED TURBOFUNNY that you can't tell? You aren't aware that you're actually punishing yourself by not having this, but you are. 4 of 4 people found the following review helpful. I'm so glad I bought this By You Don't Even Know This is the first time I have laughed out loud at a book in years. I'm so glad I bought this. Already bought another copy for a friend.
