Tricia Brown : Sled Dog Wisdom before purchasing it in order to gauge whether or not it would be worth my time, and all praised Sled Dog Wisdom:

2 of 2 people found the following review helpful. Cute, but not worth the cost. By R. Cohen A few cute stories. The book is like a \$1.99 book you would find in the checkout line at a grocery store. I should have paid more attention when purchasing and realized it was the size of 32 3X5 index cards. Disappointing to say the least.

Tricia Brown has collected delightful words of wisdom, humor, insight, and inspiration from the men and women who run the Iditarod Trail Sled Dog Race, the Yukon Quest, and the sprint races, and those who mush just for fun. If you love dogs, you will love this book.

If you have been needing humorous and heart-warming tales from Alaskas mushers, this is the book for you. --Sitka Sentinel
